

## DISCLOSURE ON INFORMATION SHARING BETWEEN FOCUS ON ENERGY AND ME<sup>2</sup> PROGRAMS

For home located at:

\_\_\_\_\_  
Street Address

\_\_\_\_\_  
City

\_\_\_\_\_  
Zip

This is to inform you that:

1. Focus on Energy's Assisted Home Performance with ENERGY STAR® and Home Heating Assistance Programs have teamed up with the Milwaukee Energy Efficiency (Me<sup>2</sup>) Program to offer income-eligible homeowners in the City of Milwaukee enhanced rewards. To improve your ability to receive these enhanced rewards, we wish to share certain information between our respective programs, which is why you only need to submit one application to have your eligibility for all three programs determined.
2. As an eligible participant of the Focus on Energy Assisted Home Performance with ENERGY STAR® Program, you are also eligible to receive cash-back rewards from the Focus on Energy Home Heating Assistance Program for eligible home heating equipment. An additional application is not required.
3. To receive the additional rewards from the Me<sup>2</sup> Program for being an Assisted Home Performance participant, your contact information will be shared with Me<sup>2</sup> to verify eligibility for that program, as different requirements apply. No application required.
4. The information to be shared between the Focus and Me<sup>2</sup> Programs will not include sensitive or confidential information. The information that your signature on this disclosure allows to be shared includes contact information (Name, Address, Phone, and E-mail) and basic data about your home that is collected during the FREE Energy Assessment, the installation of measures, and project closeout.

### **Homeowner:**

By signing below, you are agreeing that as a participant receiving incentives from the different energy efficiency programs noted above, it is acceptable to share non-confidential information amongst them.
